

AMERICAN ARTISAN

**The Magazine of
CENTRAL RESIDENTIAL AIR CONDITIONING
SHEET METAL CONTRACTING
WARM AIR HEATING**

1959 Editorial Index

and

Index of Authors

Compiled from Vol. 96, Nos. 1-12, Jan.-Dec. 1959

Here's solid evidence of editorial leadership, classified by subject. Check over those classifications of interest to you, refer to any of the complete, well illustrated articles; then compare this

editorial quality and quantity with any other publication in the field. You'll understand why **AMERICAN ARTISAN** can be the only 100% **PAID (ABC)** publication in the field.

American Artisan

January-December 1959 — Vol. 96, Nos. 1-12

Published monthly by the Keeney Publishing Company, 6 N. Michigan Ave., Chicago 2, Ill.

This index does not include Equipment Developments; New Literature; What the Associations Are Doing; We Hear That; Appointments—departments appearing regularly in each issue. The Editor's Notebook and What's Happening in each issue include items of news, comments on current events, etc. In the January issue a complete directory section was published covering warm air heating, residential air conditioning and sheet metal products.
